MANY OTHER SERVICES:

Security Consulting, Countermeasures (TSCM), Computer Security, Access Control (Biometrics), GPS Phone Tracking...etc

WHY US?

Time Management:

Staffed by former military and federal personnel and our product and work ethics exemplify this.

- Ordered assignments are processed within hrs. & cases closed (same day) or within days.
- We offer SAME DAY SERVICE!
- We have professional notaries that speak and transcribe French, Creole, Spanish, and Portuguese...etc.

Honor/Pride/Commitment:

Not just words, we take pride in completing your assignments... were only as good as our last case!

- Confidentiality is considered Paramount!
- Aggressive investigators during foot or vehicle surveillance utilizing night vision, powered zoom digital equipment and covert mobile or fixed video equipment.
- Our proprietary client/subject software allows us to track all aspects of your case within seconds. Our software requires us to search the style of case (subject/claimant/plaintiff/defendant)... before we open your assignment, locating possible conflicts of interest from past cases due to other CIS clients.
