Ft. Lauderdale, FL 33315

Dear Mr. Epstein:

On behalf of the Cystic Fibrosis Foundation, the Committee Members, and the thousands of children and adults suffering from cystic fibrosis (CF), thank you for your generous donation of your time and assistance by providing not only the security team, but also the lasers for the show for the **4th Annual Fashion Art Ball**. Your participation in the event was greatly appreciated by everyone involved and was instrumental in making this event a tremendous success ~ netting more than \$35,000 for CF research and care.

As you may know, the funds raised could not be more needed for individuals suffering with CF, a genetic disease affecting approximately 30,000 children and adults in the United States. A defective gene causes the body to produce abnormally thick sticky mucus, which leads to chronic and life-threatening lung infections and impairs digestion. New research discoveries funded by the CF Foundation now offer increased hope for a cure. Your valued participation helps tremendously to fight this devastating disease.

Again, a heartfelt thank you for your incredible kindness, time, energy and commitment and for brightening the lives of those living with CF. We couldn't have done it without you!

Sincerely,

Julie Sack
Director of Special Events

Darren,
It was a pleasure working with you.
Thank you for everything!!
Jul
