Re: Darren Epstein, P.I.; Counter Intelligence Services

To Whom It May Concern:

I have used the services of C.I.S. (Counter Intelligence Services) in locating assets and bank account information for several clients over the past several years. C.I.S. was able to locate hidden assets and accounts for various individuals and companies which proved invaluable for the outcome of my clients' cases.

I found C.I.S. to be professional, courteous, accurate and timely in their response to my needs. I will continue to do business with C.I.S. in the future and highly recommend their services to anyone who has such informational needs.

Sincerely,

Linda M. Smith
