To whom it may concern:

This is to thank you for the great detective work you have done for Nancy Corzine, Inc. Counter Intelligence Services, Inc. (CIS) provided us with swift, thorough and professional services. Without utilizing the creative resources of CIS and its staff, we would have never been able to locate missing funds that were embezzled. This has assisted us greatly in prosecuting the culprit. We found CIS to be professional, courteous, accurate, and timely in their response.

Thank you for your assistance. We look forward to continued business with CIS, and we would highly recommend your services to anyone who might need them. If you are ever in need of a reference, please do not hesitate to use my name.

Sincerely,

Nancy Corzine
