Dear Darren:

I would like this opportunity to thank you again for superior protection service. I located your company on the internet, filled out the on-line contact form and was pleasantly surprised at the quick response. Also, your ability to provide protection assistance on such short notice is greatly appreciated.

Your professionalism and knowledge was impressive and I was left with total confidence enabling me to focus on the task at hand. The fact that you were familiar with courthouse procedures, the area and routes to and from my local destinations as well as having a planned procedure for protection made the trip far less complicated than I had anticipated. The protection service turned out to be absolutely necessary and the way you handled the situation was excellent.

It is great to see that you also offer service here in the Carolinas and I will most certainly be recommending your company. Thank you for the information package as it will come in handy for that purpose.

Very truly yours,

Robin L. Webb
