Re: Letter of recommendation

Dear Darren:

I have been asked to provide a letter of recommendation to your office and to comment on your services. I have always found you to be extremely professional in all of your dealings with my office. I have used you on numerous occasions and have always found your results to be delivered in a efficient and professional manner. Additionally, you are always cognizant of the costs of the proceedings and you keep this office well-informed about the anticipated costs of all matters which are given to you.

I would happy to discuss my experiences and opinion of your services with anyone who may care to ask. In fact, I have recommended you to other lawyers and they have had satisfactory experiences with you as well.

Keep up the good work.

Very truly yours,

David R. Slaton
